From insights to impact, closing the GAP in inclusive mobility

You are invited to join our Online Panel Discussions!

After the successful launch of the Erasmus+ GAP Inclusivity Toolkit (https://www.erasmusgap.uvsq.fr/inclusivity-toolkit) the project team is happy to announce two Online Panel Discussions taking place early in 2026.

The results of the Erasmus+ GAP project research and the data acquisition via the Inclusivity Toolkit will serve as starting points for the joint analysis of student mobility opportunities in the European HE sector.

You have the opportunity to register for the events online. **You are more than welcome to join both panel sessions**, but it is also possible to attend only one of the two online events. **The agendas will relate to each other, but function independently**.
