

RECOMMENDATIONS FOR HIGHER EDUCATION INSTITUTIONS

These recommendations bring together the **experiences**, **ideas**, and **feedback** collected throughout the WP3 activities, including training sessions in Berlin involving both staff and students. The process ensured that student perspectives helped shape and validate the key priorities addressed by the recommendations.

Published at the end of the project, these guidelines provide a **valuable resource** for higher education institutions seeking to **strengthen inclusivity**, **develop effective strategies**, and **prepare for future mobility programmes**.

The full recommendations and guidelines are available for free download.
